4 The Cottages, Lond Street, Rudston, YO25 4UH

A rarely available opportunity to purchase a relatively modern cottage in a rural village setting. This is perhaps a great opportunity for first time buyers to get on the property ladder .. in a relatively quiet setting with the benefit of off-street parking to the rear.

The accommodation is well presented, however, does offer scope to improve further to the buyers own requirement.

It provides centrally heated and double glazed accommodation and viewing is recommended!

RUDSTON

Rudston is a pretty village nestling at the heart of the Yorkshire Wolds in the Gypsy Race valley. At the heart of Winnifred Holtby country, who was born in the village, Rudston is also famous for it's monolith and also it's All Saints Church with a 12th Century chancel, arch and Norman tower.

The monolith is believed to be the tallest standing stone in England weighing 40 tonnes and standing 25 feet tall. The village has an excellent range of amenities.
