A bright and spacious three bedroom detached bungalow set in just under one acre of grounds with stables, in a desirable location within the New Forest National Park.

The original parts of the bungalow are understood to date back to the 1930's with various alterations and extensions, the most recent of which was added about twenty years ago. In the agent's opinion the property is beautifully presented throughout and in addition to providing a lovely home, the adjoining grounds are ideal for smallholding or private equestrian use. Over the years the current owners have kept ponies, chickens, ducks and geese here, and have also used the land for dog agility.

Garden City is a small collection of properties in an attractive setting within the New Forest National Park, while remaining conveniently close to Southampton City Centre and the excellent transport links. The open forest with its extensive walking, cycling and riding routes is just over half a mile away.

There is convenient access to a wide range of local amenities with nearby Dibden Purlieu offering a Tesco Express, Post Office, local shops and everyday services. The bustling centre of Hythe is just a short drive away providing an excellent selection of supermarkets, cafes, restaurants, and leisure facilities. Lyndhurst is within easy reach and offers a charming selection of independent shops, cafes and restaurants, whilst nearby beaches at Lepe and Calshot provide coastal walks and leisure opportunities.

Southampton, the M27 motorway network and Southampton Airport are all readily accessible. Rail services from nearby Southampton Central, Totton and Ashurst New Forest Stations provide direct connections to London Waterloo and other major destinations.
