SITUATION

The village offers a traditional English setting with stone cottages, a C12 church, village hall, park and local farm shop. Nearby attractions include Upton House, Farnborough Hall and Compton Verney.

Excellent road links via the M40 provide access to Oxford, London, the West Midlands and the wider motorway network. The area offers a wide choice of state and independent schools.

Leisure options include local golf courses, racecourses at Warwick, Stratford and Cheltenham, and the cultural amenities of Stratford-upon-Avon.

THE PROPERTY

Charming former pair of cottages from Lord North's Wroxton Abbey estate, featuring leaded windows, window seats, exposed timbers and chestnut beams. The sitting room has an open fire, and the dining room offers a stone inglenook with bread oven. A study with fitted bookshelves sits off the sitting room. Most rooms are dual aspect. The fitted kitchen includes Cotteswood units, timber worktops, integrated appliances and a breakfast bar. Utility room with garden access and a ground-floor shower cloakroom.

Upstairs are three double bedrooms, a spacious landing and family bathroom. The second floor provides a further bedroom with dormer windows and an additional bathroom. The property has been well maintained; some windows replaced in 2012. The thatch has been inspected annually and the rear slope is likely to require work in about 4 years.

Cellar houses oil-fired central heating with modern condensing boiler and pressurised hot water system.

OUTSIDE

Block paved entrance to a detached double garage and private parking for two cars on the access drive. Behind the cottage is a flagstone path and a large sloping, part-terraced south-facing garden, with lawns, brick-capped stone retaining walls, brick-edged flower and herbaceous beds, rose beds, trees and shrubs, flowering bulbs, and hedges to the boundaries.

There is a paved seating area with climbing roses behind the house and a further elevated seating area to enjoy the evening sun. There is a brick garden store, tree house and greenhouse.

Mains electricity, water and drainage are connected to the property. Oil-fired central heating with a condensing boiler. Telephone and broadband. Security system with remote monitoring available.
