SITUATION AND AMENITIES

The situation is timeless and tranquil on a private no-through lane, which has access to public footpaths leading to many miles of open countryside ideal for dog walking or rambling. The rear boundary backs on to access to the cricket grounds. At the same time the property is just under half a mile from Pilton High Street and Barnstaple Town Centre. Pilton is the old village of Barnstaple noted for its attractive main street and ancient parish church. Also nearby is the North Devon District Hospital. As the Regional Centre Barnstaple houses the area's main business, commercial, leisure and shopping venues. North Devon's famous coastline is easily accessible and offers an excellent range of sandy beaches providing numerous water sport opportunities and walking country in abundance. The favoured resorts of Croyde, Saunton (also with Championship Golf Course) and Woolacombe are about 25 minutes by car, as is Exmoor with all that it has to offer. A short distance away is access to the North Devon Link Road leading through to Jct. 27 of the M5 Motorway in 45 minutes or so and where Tiverton Parkway also offers a fast service of trains to London Paddington in just over 2 hours. The Cathedral city of Exeter with its University, Airport, Inter-rail and Motorway link is some 43 miles away. There are a good range of state and private schools in the local area including West Buckland private school.

DESCRIPTION

This is a substantial and most attractive conversion of a former period barn, which presents elevations of stone with double glazed doors and windows beneath a slate roof. We understand that the barn was converted in 1996 and that the current vendors added a two storey extension in recent years. The property is presented to a high standard and the accommodation is versatile. The adjacent outbuildings include a double detached garage block and workshops plus a 40' x 20' block workshop, both of which may have potential to convert to create additional accommodation subject to planning permission. The acreage extends to a total of 2.91. There is a further timber barn, in the adjoining field, with separate access.
