

63 Durban Road Grimsby, North East Lincolnshire DN32 8BA

An excellent opportunity for investors, developers or cash buyers to acquire this traditional Victorian bay-windowed mid-terrace property, which is offered for sale at offers over £30,000 and requires comprehensive modernisation and refurbishment throughout. The property has been largely stripped back internally, including exposed brick walls, and will require a full programme of works to bring it up to modern standards. While requiring significant investment, the property retains some original features and offers considerable potential for those looking for a renovation project. The accommodation briefly comprises two reception rooms, kitchen/diner, utility area and ground-floor WC, with the first floor providing three bedrooms and a bathroom. The property benefits from gas central heating and electricity, although these services have not been tested. Externally, there are gardens to both the front and rear. This is a property that will require essentially everything to be completed, including refurbishment, redecoration and modernisation, but could provide an attractive investment opportunity once renovated. Cash buyers only. Viewing is recommended for those looking for a substantial project with potential.
