230 Warsash Road, Warsash, Southampton, SO31 9JF
£850,000 Freehold

Set behind private gates in a highly sought-after non-estate location, this spacious family home offers an exciting opportunity to create a fantastic long-term home with excellent scope for improvement and extension with a plot measuring just under 0.25 of an acre.

The property benefits from lapsed planning permission, granted in 2017, for the construction of a detached two-bedroom bungalow to the rear, subject to the removal of the existing garage, presenting an interesting opportunity for multi-generational living or future development.

The accommodation is well suited to family life, offering three generous reception rooms, a large kitchen, cloakroom and a practical layout, with further potential to extend to the rear (subject to the necessary planning consents).

While the property would now benefit from some basic modernisation, it represents exceptional value for such a substantial home in this highly desirable location, allowing the next owners to put their own stamp on it.

Outside, the flat, south-facing rear garden provides an ideal space for children and entertaining, while the large gated driveway offers ample off-road parking and includes EV charging points.

Situated within easy reach of local schools, Warsash Village, riverside walks and everyday amenities, this is a rare opportunity to secure a generously sized home with outstanding potential in one of the area's most popular locations.
