## Cragside, Little Hill West Chiltington, RH20 2PU

Set high above the road, this four double bedroom detached home offers flexible accommodation over two floors, with scope for the next owner to add their own stamp of personality through modernisation. There's almost 2500sq ft of living space, plus a large loft and two oversized single garages, one of which is more than 25ft long.

The driveway entrance is shared with the cottage next door and there's a useful layby owned by the property, which sits alongside Little Hill. All local amenities are close by, including the primary school, playground and village hall. There are shops, pubs and The Roundabout Hotel within a few minutes walk, with further facilities to be found at the neighbouring villages of Storrington and Pulborough, the latter boasting a mainline railway station with direct routes to London and Gatwick.

Downstairs are four reception rooms, including a conservatory which opens onto the rear garden, which has a westerly aspect, perfect for making the most of the evening sun. The breakfast kitchen has space for a table and chairs and there's a courtyard beyond, a lovely suntrap. Three of the bedrooms are on the ground floor, one with an ensuite and there's a good sized family bathroom. Upstairs is a lovely main bedroom suite with another bathroom and a study area overlooking the entrance hallway.
