Solar panels fitted to the pitched roof. We understand the solar panels are freehold and owned outright with a transferable feed in tariff that has around 15 years remaining and currently yields approximately £850 per year back to the owner.

Chapel-St-Leonards

Chapel St Leonards is a lovely sea-side village on the east coast nestled between the major resorts of Skegness and Mablethorpe. It has a population of around 3,000 and is well known for its beautiful sandy beaches and long promenades. During the summer months it benefits greatly from tourists creating a lovely vibrant atmosphere.

The village has a lot to offer with a wide range of shops including butchers, chemist, estate agents, co-op, spar, cafes, restaurants and pubs. There is a village hall with a full programme of regular activities, doctors surgery, two churches and a primary school.
