A SUPERB FITTED KITCHEN AND A BIG CONSERVATORY!

A really impressive family sized semi-detached house in a very desirable location, with some outstanding features and just walking distance from the shops.

The kitchen and all the appliances are only two years old and even the gas combi boiler still has three years to run on warranty. As well as the usual gas hob, cooker hood and double oven there's also a 4 in 1 mixer tap, fridge freezer and dishwasher and double doors from the kitchen enter into a surprisingly big conservatory.

Whilst all three bedrooms are of a practical size the third bedroom is just that little bit bigger than you might have seen elsewhere and as well as a golden gravel driveway for two cars there's a very nice garden to the rear of the property with a lawn, seating area and shed.
