

Church Street

Littledean, Cinderford, GL14 3NL

£385,000

Set in the heart of the popular Forest of Dean village of Littledean, this beautifully presented detached home on Church Street has been comprehensively upgraded in recent years and is ready to move straight into. Improvements include a new roof, replacement windows, rewired electrics, updated heating system, new floor coverings, a redesigned shower room, fresh décor throughout and a bespoke fitted bookcase — meaning the hard work has already been done to an excellent standard.

The accommodation is generous and versatile. A substantial bay-fronted living room features Karndean flooring (under guarantee), a multi-fuel stove on a slate hearth with oak mantle, and a sliding patio door through to the orangery. The orangery is a standout space for year-round use with a pitched roof, two remote-controlled Velux windows and French doors opening onto the rear garden. A separate dining room with a further multi-fuel stove completes three reception areas, ideal for family life and entertaining. The 15ft+ kitchen offers matching units, gas hob, electric oven and ample worktop space, with an adjacent utility room providing plumbing for appliances and access to both front and rear. Upstairs, a bright galleried landing adds character, with three bedrooms including a generous principal room with wall-to-wall wardrobes.

The stylish shower room includes a twin cubicle with rainfall head, vanity unit, tiled walls, downlighters and Bluetooth speaker. Outside, a stone boundary wall frames a driveway with parking for four vehicles. The two-tier rear garden is a peaceful retreat with lawns, mature planting, summerhouse, greenhouse, log store and new boundary fencing.

Littledean sits within the Forest of Dean, an Area of Outstanding Natural Beauty, with easy access to Cinderford, the Wye Valley, and the A48 for commuting towards Gloucester and the M50. A wonderful opportunity to acquire a home that truly needs nothing doing to it.
