Set along the sought-after Walton Road, this beautifully refurbished two-bedroom end-of-terrace home offers the perfect blend of stylish modern living and a countryside backdrop that's guaranteed to impress your Instagram followers.

Having been lovingly upgraded by the current owner, the property is presented in excellent condition throughout and enjoys the rare luxury of backing directly onto open fields, meaning your morning coffee comes with uninterrupted views rather than a neighbour's fence.

The accommodation begins with an entrance porch leading into a generously sized lounge, beautifully dressed with elegant window shutters that add both character and sophistication. To the rear, the show-stopping kitchen/diner, newly installed in 2025, provides a contemporary heart to the home and is perfectly designed for everything from family meals to hosting friends. A useful utility room keeps the practicalities tucked away, while the bright conservatory floods the space with natural light and creates the ideal spot for summer brunches, evening drinks or simply soaking up the garden views.

Upstairs, you'll find two excellent-sized bedrooms, both continuing the stylish theme with elegant window shutters, alongside a beautifully appointed family bathroom.

Step outside and the appeal continues. The impressive rear garden enjoys a glorious unoverlooked aspect backing directly onto open fields, providing a peaceful setting that's hard to believe is still within easy reach of local amenities. Whether it's a summer BBQ, a game of football with the kids or simply a glass of wine while watching the sunset, this garden delivers. To the front, the property benefits from driveway parking and an EV charger, ensuring the home is as practical as it is attractive.

Further enhancing the package is a Worcester Bosch combi boiler, newly installed in 2024, offering efficiency and peace of mind.

Stylish, move-in ready and blessed with views that money can't easily buy, this is a home that proves you really can have the best of both worlds — modern living with a touch of countryside magic.
