This beautifully finished one-bedroom flat on the first floor of London Street apartments in Westminster offers an exceptional central London lifestyle.

The bright, open-plan living area flows seamlessly creating a perfect space to unwind. A modern kitchen comes fully equipped with integrated appliances, including a microwave, fridge-freezer, and washer/dryer, ensuring complete convenience. The property features a spacious bedroom with ample wardrobe storage, a sleek, beautifully designed bathroom, wood laminate flooring, electric heating, and a secure video entry system.

Perfect for students, postgraduates, and working professionals, this apartment serves as an ideal home away from home for individuals, couples, families, or corporate clients. It caters equally to short-term leisure stays and long-term professional lets.

all set around one of central London's first newly created garden squares in over a century.

Positioned just meters from Paddington Station and a short walk from Hyde Park's scenic Italian Gardens, the location boasts unparalleled transport links. A brief stroll east brings you to Oxford Street and the vibrant West End, placing world-class theatres, designer shopping, and fine dining right at your doorstep. Whether you need a functional professional base or a stylish city retreat, this Westminster property delivers the ultimate London experience. All bills are included for the short term rental. Long term rental also available.
