

Brixton Road, SW9

£699,950

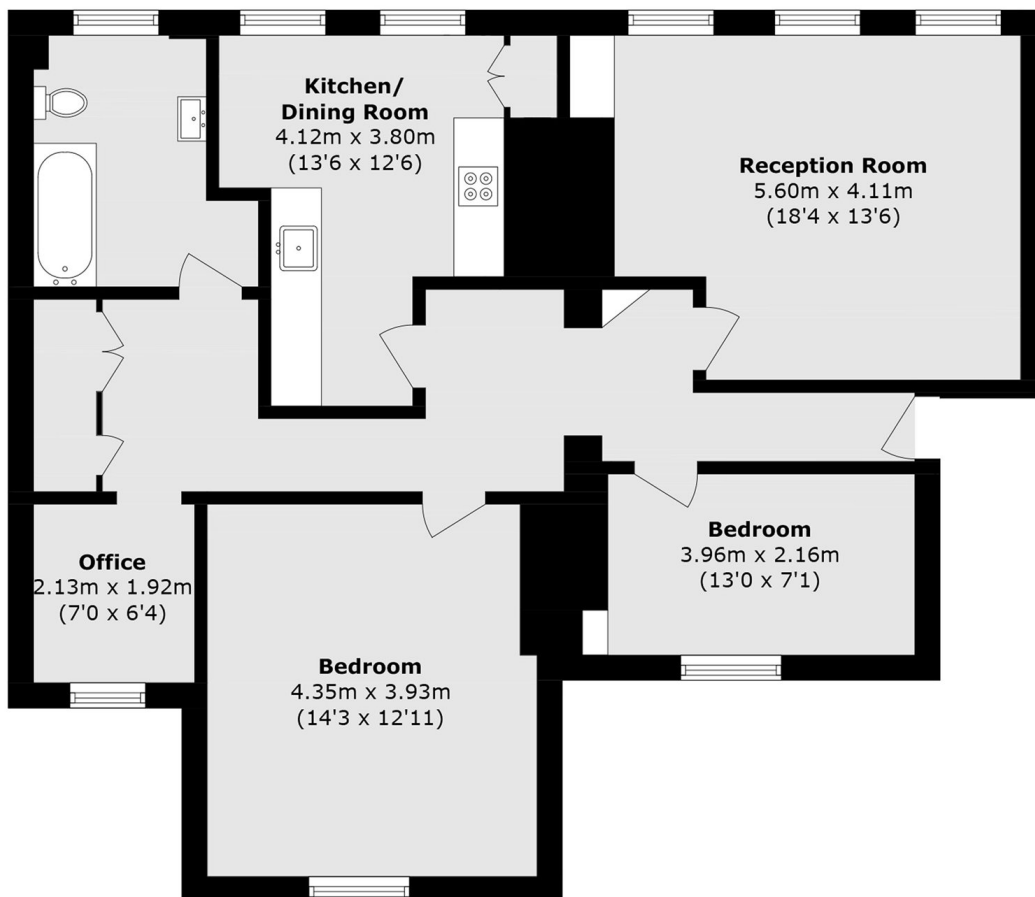

A beautifully finished three bedroom, top floor, Georgian apartment spanning over 1,000 sq ft. This well-laid-out lateral home features a generously proportioned living room with exposed wooden floors, high ceilings, and three large west-facing sash windows that flood the space with light. The separate modern kitchen is sleek and thoughtfully designed, offering ample space for dining ideal for those who enjoy cooking and entertaining. There are two spacious bedrooms, both served by a well-appointed bathroom, along with a third single bedroom which is currently used as a work from home space.

Set back beyond a large communal front garden, conveniently located between Oval, Brixton and Stockwell benefitting from an unrivalled amount of transport links including Victoria, Northern lines and Overground. There are a number of local shops, restaurants and coffee shops close by.
