DESCRIPTION

3D Virtual Tour | Guide Price £375,000 - £400,000 | Beautifully Presented Throughout | Kitchen-Diner | Lounge with Media Wall | Home Office | Landscaped Rear Garden | Favoured Bellway Development | Three Double Bedrooms

Situated within a popular modern development built by Bellway Homes, this beautifully presented three double bedroom link-detached house offers well-balanced accommodation, a landscaped rear garden and a versatile home office created from part of the garage.

The accommodation comprises an entrance hall, a spacious kitchen-diner, lounge with feature media wall and patio doors opening onto the rear garden, downstairs cloakroom and a useful home office. To the first floor are three genuine double bedrooms, including a principal bedroom with en-suite shower room, alongside the family bathroom.

Outside, the rear garden has been thoughtfully landscaped to create an attractive and low-maintenance space for entertaining and relaxing, whilst the driveway provides off-road parking.

The development itself benefits from a number of communal green spaces and enjoys easy access to the nearby Cuckoo Trail and country park walks. Local primary schooling is within walking distance, with both Hailsham and Hellingly schools close by, whilst regular bus services including the Regency Route 28, Stagecoach 52 and 1B provide convenient links to Hailsham, Eastbourne and the surrounding area.
