34 Egremont Place Brighton BN2 0GA

An excellent buy-to-let investment opportunity to acquire this spacious five double bedroom HMO property, ideally positioned in the highly sought-after Queen's Park area, close to the vibrant Kemp Town seafront and local amenities.

Occupying the first and second floors of an attractive corner period property, the maisonette offers well-proportioned accommodation arranged over two floors with its own separate street entrance. Light and airy accommodation with a recently refreshed interior and a favourable triple aspect and double-glazed sash windows. Ideally suited to the HMO rental market for both students and professional sharers due to its location, with potential for high returns. The property further benefits from direct sea views to the rear, and there is potential to convert the loft (subject to the necessary planning permissions and consents), offering scope to further enhance the accommodation.

The location is well-suited to the student rental and professional sharer markets, with easy access to the Royal Sussex County Hospital, local shops, cafés, restaurants, and transport links to the Universities. Queen's Park and Kemp Town remain popular areas with strong rental demand, making this an appealing buy-to-let investment opportunity.
