"We have loved living in the centre of Bristol and enjoying the ever-changing harbourside views from our home. We've seen countless sunrises and sunsets and the view is best enjoyed in summer with the sash windows wide open. We often go for meals at Wapping Wharf (Gambas is a particular favourite) and have felt so lucky to be nearby to this and enjoy so many other key features of city living – the Hippodrome, King Street, the harbour loop and Park Street."
