Property Description

Thomas Brown Estates are delighted to present this three bedroom semi-detached family home, situated on the ever popular The Highway. Enjoying stunning open views across the surrounding countryside to the rear, the property is ideally located within a short walk of Chelsfield Station, The Highway Primary School, local shops and bus routes.

Offering excellent scope for improvement and extension (subject to the necessary planning permissions), there is fantastic potential to convert the garage, extend across the rear and/or into the loft space, as many neighbouring properties have successfully done.

The accommodation comprises an entrance porch leading to a welcoming hallway, a bright lounge, a separate dining room with direct access to the rear garden, a fitted kitchen, lean-to, ground floor WC and an integral garage. Upstairs, the first floor provides three bedrooms, a family bathroom and a separate WC.

Externally, the property benefits from a mature rear garden, predominantly laid to lawn with established shrubs and flowerbeds, while the front offers off street parking via a private driveway.

The property would benefit from modernisation throughout, presenting an excellent opportunity for buyers to refurbish and create a superb family home in a highly sought after location. This has been reflected in the asking price.

The Highway is perfectly positioned for a range of highly regarded schools, including The Highway Primary School and St. Olaves Grammar School, as well as Chelsfield Station, Goddington Park and a variety of local amenities.

Internal viewing is highly recommended to fully appreciate the outstanding location, impressive views and exceptional potential this property has to offer.
