A smart and well-presented four-bedroom, three-storey townhouse situated on the popular Buckton Fields development, overlooking The Green to the front. The property offers generous and flexible accommodation over three floors, making it a good fit for a family or professional household needing proper space rather than just extra box rooms. The property has a clean, modern finish throughout, with neutral decoration, light carpets, uPVC double glazing and gas radiator heating. The ground floor has a welcoming entrance hall, a cloakroom/WC, a modern fitted kitchen/diner and a good-sized living room to the rear.

The kitchen/diner is fitted with gloss units, a gas hob, electric double oven, integrated fridge/freezer and grey tiled flooring. There is enough space for dining, and a glass dining table and chairs can be made available if required. The living room is a generous space with French doors opening onto the rear garden, giving the room good natural light. To the first floor, the main bedroom benefits from mirror-fronted fitted wardrobes and an en-suite shower room. Bedroom two is also a large double room with two windows overlooking The Green. There is also a separate shower room on this floor.

The second floor provides two further double bedrooms, both with dormer windows and sloped ceilings, together with the family bathroom, fitted with a shower over the bath, glazed screen, WC and wash hand basin.

Outside, the rear garden is mainly laid to lawn with a paved patio and side path, plus a personal door leading into the garage. The single garage and driveway are accessed from Glebe Road to the rear. To the front, the property enjoys open views over The Green, giving it a more open feel than many properties on the development.
