Hamilton Street

NO ONWARD CHAIN & TWO PARKING SPACES!

Set within The Hamiltons, a small terrace of townhouses just off Hamilton Street, this four-bedroom, four-bathroom home is arranged over four floors, with a roof terrace above and private outdoor space to the rear.

The ground floor offers a flexible room with French doors opening onto the rear patio. Whether used as a bedroom, sitting room or home office, it provides adaptable accommodation to suit a range of needs. A shower room and useful storage complete this level.

The first floor is centred around the main living space. The reception room spans the width of the house, with large windows and French doors to the front allowing plenty of natural light to fill the room. Herringbone parquet flooring runs throughout, while the kitchen sits to the rear, fitted with stone worktops, integrated appliances and a breakfast bar that creates a natural divide between the cooking and dining areas.

The remaining bedrooms are arranged across the upper floors, with two benefiting from en suite facilities. At the top of the house, the roof terrace offers an elevated outdoor space with views across the surrounding rooftops.

To the rear, the low-maintenance patio garden provides direct access to the sheltered parking area. There are two allocated parking spaces behind electric gates, one of which benefits from an electric vehicle charging point, as well as secure bike storage.

The property also benefits from underfloor heating throughout.

Pontcanna Street and Cathedral Road, with their range of cafés, restaurants and independent businesses, are just a short walk away. Bute Park, Sophia Gardens and Pontcanna Fields provide excellent green space nearby, while Cardiff city centre and Cardiff Central railway station are both within easy walking distance, making this an ideal location for those looking to enjoy city living without compromising on a strong sense of community.
