£250,000 Freehold

A beautifully presented and characterful **TWO BEDROOM COTTAGE**, tucked away in a traffic-free setting within Higher Brixham within walking distance of local shops and primary schools.

Offering well-proportioned accommodation arranged over three floors, the property combines traditional cottage charm with a number of useful modern features. A particular highlight is the attractive southerly facing cottage-style rear garden, which extends to a superb garden room/home office, providing a versatile space ideal for working from home, hobbies or additional recreational use.

The property is approached from Polhearn Lane, with a composite stable door opening directly into the fitted kitchen. The kitchen is fitted with a range of light oak wall and base cupboards complemented by wooden working surfaces and an inset stainless steel sink. Integrated appliances include an under-counter electric oven with hob and cooker hood over, while there is space for a washing machine and fridge. Modern tiled surrounds and a front-facing window provide a practical and bright working environment.

Partially open plan, the kitchen leads through to a cosy lounge featuring a fireplace recess with log burner and attractive wood mantel over, together with a built-in cupboard and display shelving.

A wide opening leads through to the dining room at the rear, a good-sized and versatile space enjoying a window and door opening directly onto the garden. On the first floor is a generous family bathroom/W.C., fitted with a white suite comprising panelled bath with independent electric shower over, pedestal wash basin and low-level W.C. A range of fitted cupboards provides excellent storage.

Opposite is the principal bedroom, which enjoys a lovely outlook across the rooftops towards St Mary's and Southdown Hill. Bespoke built-in wardrobes and storage complement the room, together with an ornate feature fire surround.

The second floor provides a generous loft bedroom, again benefiting from bespoke built-in wardrobes and storage, as well as a pleasant countryside outlook.

Outside, the rear garden is a notable feature. Enjoying a southerly aspect, it is enclosed and arranged in an attractive cottage style, with a good-sized paved seating area leading onto a gravelled section and onwards to the excellent garden room/home office. This useful addition significantly enhances the versatility of the property.

Gas-fired central heating and double glazing are installed. Internal viewing is highly recommended.
