

New builds Cae Cadno, Baglan, Port Talbot, SA12 8AN

Asking Price £595,000

Striking 5 bedroom detached executive family homes constructed using advanced ICF (Insulated Concrete Formwork) technology, offering exceptional strength, thermal efficiency, and modern design across three spacious floors. This impressive home combines cutting-edge energy systems with luxurious finishes, creating a truly contemporary family lifestyle.

The properties features two elegant Juliet balconies and a substantial front balcony, enhancing both natural light and outdoor living space across the upper floors. Heating is provided via an innovative hybrid system combining an air source heat pump with a gas combi boiler, working in harmony to deliver outstanding efficiency and comfort, achieving an A++ energy rating. Further sustainability is provided by a 22kW three-phase EV charging point.

Main Discription

These exceptional four and five-bedroom, three-storey detached homes, set in the desirable area of Baglan, has been thoughtfully designed to combine contemporary elegance with advanced energy-efficient living. Offering generous and versatile accommodation ideally suited to modern family life, the property is built using high-performance ICF (Insulated Concrete Form) construction, delivering superior insulation, enhanced durability, and excellent thermal efficiency, contributing to reduced energy consumption and running costs. The home further benefits from a sophisticated hybrid heating system, combining an air source heat pump with a gas combi boiler, achieving an impressive A++ energy rating. Internally, the property is finished to an exceptional standard throughout, with stylish luvanto herringbone LVT flooring to the main living areas and high-quality carpets to selected rooms, creating a refined balance of comfort, quality, and contemporary design.

Location

Situated in Baglan, the property offers convenient access to local amenities, well-regarded schools, and excellent transport links, making it an ideal choice for families and commuters alike. The home also benefits from far-reaching views, with the side garden enjoying attractive sea views, providing a rare and desirable backdrop to this impressive setting.

Accommodation Ground Floor

The ground floor offers a bright and modern layout, featuring a stunning kitchen with a double roof lantern, allowing natural light to flood the space. Finished with stylish herringbone LVT flooring, this level is perfect for both everyday living and entertaining.

First & Second Floors

Across the upper floors, the property provides five well-proportioned bedrooms, including access to Juliet balconies and a large front balcony. The home includes two contemporary bathrooms and two additional WCs, all finished to a high standard.
