GUIDE £650,000 - £675,000

Tucked away from the road and accessed via double gates and a private driveway, this unique residence opens into a peaceful private setting, creating a true oasis of calm just moments from everyday amenities.

This detached home has undergone a complete renovation, and is finished to a very high specification throughout. Every aspect has been enhanced with a keen eye for design and the results are a true feast for the senses.

At the heart of the home is an open-plan kitchen dining space, designed with entertaining and everyday living in mind. With a large sociable breakfast bar, integrated appliances, and elegant finishes, the kitchen flows seamlessly into a light-filled dining area where French doors open directly onto the south-facing garden.

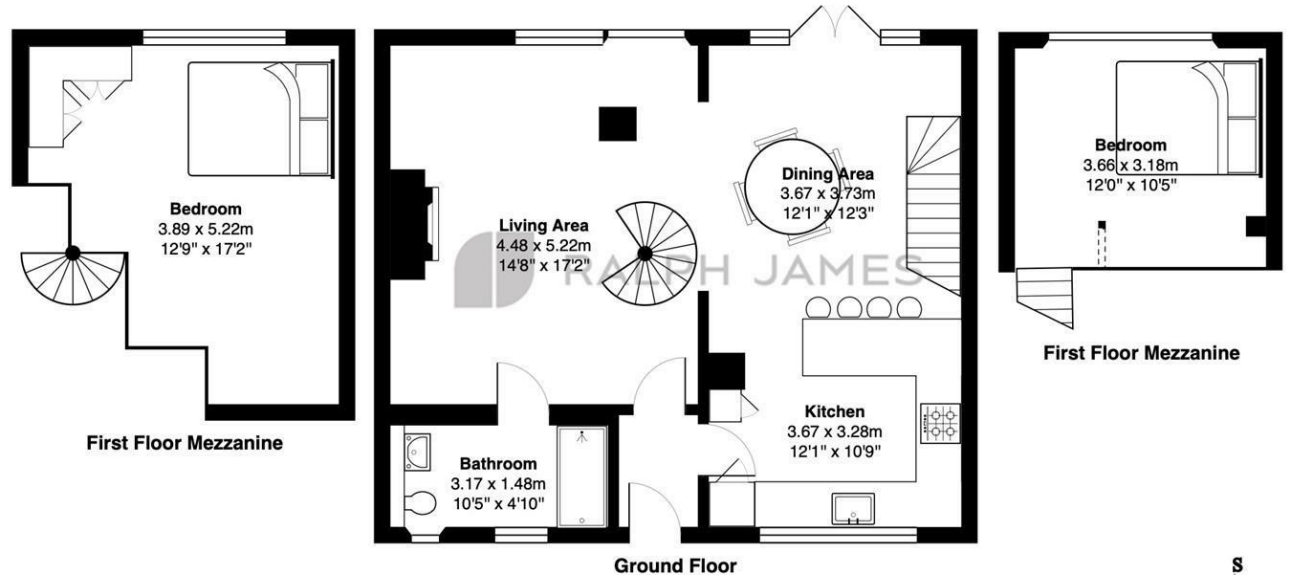

The dining space flows into the stylish living room, offering a warm and inviting atmosphere. Whilst the layout is open plan, it has defined areas for living, dining, and entertaining. On the ground floor, you'll also find a spa-style shower room, thoughtfully designed with a serene, spa like feel—offering a tranquil space to relax. Upstairs there are two sumptuous, mezzanine bedrooms, one on each side of the property, allowing a good amount of seclusion.

Outside, there is a dropped kerb, providing parking for a small vehicle on the resin bonded driveway, as well as a second car across the driveway. The rear garden is secluded and peaceful, bathed in natural light from the Southerly aspect, it is the perfect space to unwind at the end of the day.
