Occupying a generous plot and offering a surprisingly versatile arrangement of accommodation, this detached home presents a wonderful opportunity for those seeking both space and flexibility, all within easy reach of the town centre.

Internally, the accommodation is well balanced and arranged over split levels, creating a natural sense of separation between living and sleeping spaces. Of particular note is the generous sitting room, a welcoming space centred around a fireplace and flowing seamlessly into the conservatory, which enjoys a lovely outlook across the garden and provides an excellent additional reception area.

The dining room offers a more formal setting for entertaining and is conveniently positioned adjacent to the kitchen/breakfast room, which is fitted with a range of units and provides ample space for informal dining.

There are three well-proportioned bedrooms on the main level, served by a family bathroom. The layout is further enhanced by a lower ground floor which offers exceptional flexibility, currently comprising a substantial family room and an additional bedroom with adjacent bathroom. This space would lend itself equally well to guest accommodation, a home office suite or multi-generational living, depending on requirements.

In all, the property extends to approximately 1,615 sq. ft. and offers a rare combination of adaptable accommodation, mature gardens and a highly convenient setting.

Outside

To enter the property you drive through double gates on to the driveway. The property is approached via a mature frontage, with established planting lending a sense of privacy. To the rear, a particularly attractive garden provides a delightful setting, combining open lawn with more intimate seating areas. A charming terrace, framed by hedging, lies directly outside the conservatory and offers an ideal spot for outdoor dining and entertaining, while the main expanse of lawn extends beyond and enjoys a high degree of seclusion.

Location

The house is situated within a short walk of the town centre and the excellent range of schooling, shopping, recreational and cultural facilities historic Bury St Edmunds has to offer. Bury St Edmunds is a picturesque, thriving market town which brings together the old and the new. The town boasts a great collection of venues for eating, drinking, shopping, and relaxing, making it a great place to live, work, visit and study.

The market town, with its impressive produce market every Wednesday and Saturday, is nestled in the heart of Suffolk. It is known for the Abbey Gardens, a ruined abbey right in the town centre.
