Summary

A beautifully presented Grade II listed character home in the heart of Drayton. Brimming with charm and extensively renovated throughout over the last 10 years, this stunning four-bedroom period property features exposed beams, cosy living spaces, a stylish country kitchen, underfloor heating downstairs and an elegant bathroom with an ensuite to the master bedroom. Set within a picturesque village location, it offers the perfect blend of heritage, comfort, and modern living.

Justifiably Grade II listed of architectural and historical importance, Church House is a handsome detached property positioned in the heart of this vibrant and ever-popular village. The property underwent substantial renovation 10 years ago, and since owning the property, our seller has further improved it, including but not limited to: Secondary glazing including draft proofing, front wall being replaced with front & rear garden renovations, new bathroom, cloakroom and quality kitchen, new wardrobe doors and fittings in the bedrooms, an electric garage door, a fully restored bay window downstairs with reinforced front door and multiple French drains have been installed.

On the ground floor, the property offers a blend of modern and traditional features, with a living room and family room, both with feature fireplaces, bespoke quality kitchen/diner, cloakroom with WC and utility room/workshop. There are four bedrooms, the master with a shower ensuite and a brand-new family bathroom with roll-top bath on the first floor.

Accessed via a stone staircase from the master bedroom, the property benefits from a large, fully floored attic, which would make a wonderful study, craft room or bedroom for the grandchildren.

Whilst modest in size, the front and rear gardens offer low maintenance living with a range of stunning flowers, shrubs and bushes. There is a garage with newly installed electric garage doors with deliberately placed barn doors to the side to allow you to open a car door, making this ideal for parking your car.

Church House would make a home for those looking for a lifestyle move away from the hustle and bustle of a busy town, whilst still being in the heart of a vibrant community.
