THE PROPERTY

Penfold is a very impressive detached contemporary house set in lovely extensive gardens and grounds and occupying a superb, elevated, south facing position with wonderful long range views over the beautiful Bride Valley and to the sea, with stable block plus field/paddock. It was only built and completed in 2022 to a bespoke design, supplied by Potton, of timber frame construction using high quality materials, having rendered block and maintenance-free panelling, manmade slate roof and maintenance-free aluminium rainwater goods and balcony railings.

The house has been carefully designed to take full advantage of the views with plenty of space and light, featuring large windows and bi-folding doors. There are numerous interesting design details including a double height hall, oak and glazed staircase, large deep windows, wrap around balcony and covered patio area adjoining the dining area with bi-folding doors.

The house is well thought out, giving plenty of flexibility to suit individual needs, including the option of snug/4th bedroom and the potential to create a further bedroom from the current open plan first floor study.

The excellent specification includes mains gas-fired underfloor heating with individual thermostats, wood windows with aluminium powder coated outside faced frames, for low maintenance, and bi-folding doors, quality kitchen with oak worktops, island with granite worktop, cooker range, integrated dishwasher and Quooker tap, quality wet room fittings with the main en-suite featuring a rolltop bath, quality floor coverings including Travertine natural stone tiles, wood style tiling running through to the outside patio area which runs around the whole house, central freestanding 4 glass sided wood burner, oak doors and water softener.

The extensive gardens and grounds and good range of outbuildings are also a further feature, benefitting from comprehensive landscaping and upgrading.

Penfold is a wonderful, unique home of a type and quality which is rarely available on the open market, viewing is strongly recommended by the sole agent, Stags.
