Residential

Paintworks East Paintworks, Bristol, BS4 3DL

£969 Per Week

Available Now & September 2026 – All Bills Included. A unique opportunity to secure a spacious four-bedroom student apartment within the sought-after Paintworks development, offering the perfect balance between independent living and a shared student experience.

Unlike a traditional student flat, each of the four bedrooms benefits from its own private kitchenette and modern en-suite shower room, allowing residents to enjoy complete independence whilst still living alongside friends. This flexible arrangement makes the property ideal for an established group looking to live together, whilst also being suitable for individual room lets where available.

The accommodation is finished to a high standard throughout, with each room fully furnished and designed to provide comfortable living, studying and sleeping space. The generous central hallway creates a sense of separation between the rooms, whilst maintaining the feel of a shared home.

- Four self-contained studio rooms
- Private kitchenette within every room
