Mill Lane

Hulcote, MK17 8BP

The small village of Hulcote lies directly north of the M1 and close to the border of Milton Keynes, Buckinghamshire, with a historic church holding regular services. Hulcote is surrounded by rolling hills, fields and woodlands providing a peaceful and tranquil setting for outdoor activities such as walking, cycling and horse riding.

The property features a welcoming entrance hallway leading through to a bright and expansive living/dining room, complete with a multi-fuel burner that creates a cosy and inviting focal point. From here, double doors open into a lovely conservatory, ideal for use as an additional sitting area, or simply a spot to enjoy the garden outlook year round.

The kitchen is well-sized and functional, providing ample workspace and storage.

There are three comfortable bedrooms, all offering good proportions and plenty of natural light. The main bedroom provides a peaceful retreat with en-suite facilities, while the further bedrooms are ideal for family use, guests, or as a home office. The accommodation is served by a further family bathroom, offering flexibility and convenience.

The wrap around rear garden is enclosed and well stocked with a post and rail fence, there is a good-sized enclosed paddock with a large storage shed with double opening doors and stable style door also. Backing onto the paddock is an established woodland thoughtfully planted by the current owners.

While the property would benefit from a degree of modernisation and cosmetic updating, it presents a wonderful opportunity to create a truly impressive home tailored to personal taste.

Externally, the home enjoys a pleasant outlook and a practical layout, with excellent potential.
