PROPERTY OVERVIEW

Set within the heart of Avonmouth Village, Selsdon House is a distinctive and characterful building, designated as a Building of Townscape Merit. Originally constructed in 1926 as the Avonmouth Post Office, the building was carefully converted to create an exclusive collection of apartments, thoughtfully blending period architecture with modern living.

Flat 9 occupies the top floor of the building and was converted in 2018, with further improvements carried out by the current owner. The apartment offers well-balanced accommodation that makes excellent use of the space, combining character features typical of the building with contemporary finishes throughout.

The layout provides a comfortable living environment, with a modern fitted kitchen, well-proportioned living space, and a neatly appointed bathroom suite. The apartment benefits from its elevated position within the building, enhancing privacy and natural light. There is also an allocated car parking space at the rear of the property.

The property is offered to the market with no onward chain, making it an ideal purchase for first-time buyers, investors, or those seeking a low-maintenance home in a well-connected location.

Location

Avonmouth Village is exceptionally well positioned for access to the M5 and M4 motorway network, making it ideal for commuters. Bristol City Centre is less than 15 minutes away, while The Mall at Cribbs Causeway can be reached in approximately 10 minutes.

Avonmouth railway station is within easy walking distance and offers regular services into Bristol Temple Meads, typically twice an hour during peak times. The area is also well served by local bus routes providing direct access to Cribbs Causeway and Bristol City Centre.
