SITUATION

Standing in a prominent seafront position within level grounds, the property enjoys an exceptional setting directly on the shoreline at Lynmouth. The twin villages of Lynton & Lynmouth, set on the coast of the Exmoor National Park, attract visitors throughout the year, drawn to the picturesque harbour, the celebrated Victorian water powered cliff railway, dramatic beauty spots such as the Valley of Rocks, and many miles of scenic coastal and countryside walks.

DESCRIPTION

Set in over an acre of private seafront grounds in Lynmouth, The Manor is an elegant Grade II Listed early 19th century residence accompanied by three cottages, further outbuildings offering scope for future development, generous parking and panoramic sea views. Formerly operated as a hotel, restaurant, café and care home, this miniature coastal estate presents wide ranging commercial or lifestyle possibilities (subject to consents). The property is sold with the remainder of a 120 year lease, carrying an annual ground rent of £30,000. Significant renovation remains to complete the works already begun. From the street in Lynmouth, the Manor is approached along its own, private drive to a parking area with space for several vehicles. Further parking could be provided on a wide verge beside the drive and on the far side of the main house. Grounds of over one-acre surround the house with large, level lawns on one side and at the rear, which would be suitable for outside catering, marquees etc. Further tarmac areas give access to the Manor house, Coach House, Cottages and outbuildings. Please refer to the accompanying floorplan for the full layout and all measurements.
