

18 Penventon Terrace

Redruth, TR15 3AD

£269,950

This character semi-detached house is set up from the road and offers substantial family living accommodation. There are three bedrooms to the first floor together with a large family bathroom and the bonus of a ground floor bedroom having an en-suite shower room. There is a lounge, a kitchen/diner and a rear utility room. The property has gas heating and is mostly double glazed. Externally there are gardens to both front and rear with a range of outbuildings and off road parking.

Occupying a particularly convenient site for local schools and amenities, we are pleased to bring to market this spacious four bedroom property on the outskirts of Redruth town. Offering substantially sized internal accommodation with some traditional features, the ground floor has a large reception/living room which has an open fire. The first of the four bedrooms can also be found on the ground floor and this has the added bonus of an en-suite shower room. There is a kitchen/diner which is complemented by open access to utility facilities. To the first floor, a switchback staircase at first accesses the particularly large family bathroom that features a large walk-in double shower and separate bath tub with a freestanding mixer tap. Furthermore, there is an adjacent separate WC with a wash hand basin. Thereafter, from the landing on the first floor, where much light is cast from the skylight above, access is gained to the remaining three bedrooms. Externally, the rear garden offers variety including a summerhouse, a workshop/come storage room, two separate courtyard style areas, one that offers a patio ideal for outdoor socialising and another that features an outside WC and a shed. The fenced border to one side opens into the garden so there is potential for an off road parking space, subject to the appropriate planning consent. To the front, there is a raised garden leading to shared steps to the front door which nestles under an overhead canopy. Additionally, parking is available in the side lane for up to three vehicles. In terms of location, a secondary school and a range of primary schools are nearby. Redruth town centre can be reached in minutes on foot or via public transport from nearby bus stops. Here you will find both independent and chain stores, cafes, a cinema and public houses. A main line railway station in the town gives links to London and bus services to Truro and Falmouth. Further afield, Portreath Beach on the north coast is less than fifteen minutes by car and there are many other local beaches and attractions within easy reach.
