Long Close, Anstey, LE7 7QG
Leicester

£325,000

Set along a quiet residential setting on Long Close, this three-bedroom semi-detached home unfolds across three thoughtfully arranged storeys, balancing generous proportions with practical family living. Three double bedrooms are arranged throughout the house, creating flexible accommodation with a natural separation between living and sleeping spaces.

The ground floor centres around a welcoming lounge positioned to the front of the house; a calm and comfortable setting with ample natural light. To the rear, the kitchen forms the social heart of the home, opening onto a partly decked garden designed for both everyday use and warmer months spent outdoors. The garden provides a pleasant extension of the living space and benefits from direct access to a single garage, with a private driveway positioned beyond.

Across the upper floors are three double bedrooms, with the principal suite occupying the top floor and enjoying the privacy of its own ensuite shower room. A family bathroom serves the remaining accommodation, creating a practical arrangement for modern family life.

Long Close is positioned within easy reach of Bradgate Park, one of Leicestershire's most celebrated landscapes. Extending across rolling hills, ancient woodland and open parkland, it offers miles of walking routes and wide views across the surrounding countryside. The park's resident deer and historic ruins give it a distinct sense of character, making it a treasured destination throughout the seasons.

The house also enjoys a setting within Anstey, a village with a strong sense of community and a rich local history. Anstey balances the conveniences of modern-day living with the atmosphere of a traditional village, offering independent shops, cafés and everyday amenities while remaining within easy reach of Leicester and its wider transport connections. Surrounded by open countryside yet exceptionally well connected, the area has long appealed to those seeking a quieter pace without sacrificing accessibility.
