DESCRIPTION

Halls are delighted to present this exceptionally spacious detached family home, occupying a generous plot within the highly desirable Cherry Tree Close, an exclusive development of luxury homes built by David Wilson Homes. Offering versatile accommodation arranged over three floors, this impressive property provides plenty of space for modern family life, with the added benefit of solar panels which are owned outright, creating a wonderful EPC A Rated Energy Efficient home.

A welcoming reception hall leads through to a useful study, ideal for those working from home, together with a guest cloakroom. The generous lounge provides a comfortable main reception space and features a newly fitted log burning stove, with double doors opening into a further sitting or dining room. From here, doors lead directly onto the rear garden, creating a lovely flow between the living space and outside.

The kitchen/dining room is equally well suited to family life and entertaining, fitted with a comprehensive range of wall and base units, integrated fridge freezer, built-in double oven, gas hob with extractor canopy and a central island. The dining area benefits from double doors opening onto the garden, while the ceramic tiled floor provides a practical finish. A separate utility room with external access completes the ground floor.

The first floor provides four bedrooms, including a particularly generous principal bedroom with a dedicated dressing area and three built-in double wardrobes, together with an en-suite bathroom with separate double shower. The second bedroom also benefits from its own en-suite, while two further bedrooms are served by the family bathroom, that also boasts a separate bath and shower.

There is further accommodation on the second floor, where two additional bedrooms are complemented by a further bathroom fitted with a white panelled bath, pedestal wash hand basin and close coupled WC. This arrangement makes the property particularly well suited to larger or growing families, while also providing excellent flexibility for guests, teenagers or additional home working space.

Outside, the property is set back from the road behind a neatly maintained front garden, with lawn and privet hedging providing a pleasant approach. A side tarmac driveway offers parking for up to six vehicles and leads to the double garage. The private rear garden is fully enclosed and provides a good balance of paved patio and lawn, with plenty of room for outdoor seating, entertaining and family use.

With its generous proportions, flexible three-storey accommodation, double garage, good-sized garden and the added benefit of owned solar panels, this is a substantial family home in a popular and established development.
