

A well-presented light and spacious ground floor apartment situated in the desirable location of Millers Rise, a sought after and well managed development within walking distance to St Albans City centre amenities and transport facilities.

The well-proportioned purpose built apartment benefits from allocated car parking and is located in a relaxed and peaceful setting just a short walk from both the St Albans City mainline and St Albans Abbey railway stations enabling an easy commute to London and other nearby locations.

The property is offered for sale chain free and would in our opinion make the ideal purchase for either first time buyers looking for access to the City centre amenities and railway stations or as a rental investment.

Communal Entrance

Secure entry door system.

Entrance Hallway

Solid hardwood front door. Entry phone system. Large storage cupboard. Additional cloakroom storage cupboard. Carpet floor finish. Radiator.
