Westvale Park has been carefully planned to foster a genuine sense of community, whilst enjoying the convenience of excellent transport connections and surrounding green open spaces. It is ideally positioned between the thriving towns of Reigate and Horley, both offering an excellent selection of shops, restaurants, cafés and leisure amenities. Horley mainline station provides fast and frequent services to London and the South Coast, whilst Gatwick Airport is conveniently located approximately 10 minutes away.

Occupying a desirable position within the highly regarded Westvale Park development, this exceptional end-of-terrace family home has been beautifully enhanced and impeccably maintained by the current owners, offering stylish and contemporary accommodation arranged over three floors.

Constructed in 2020 and still benefiting from the remainder of its NHBC warranty, the property combines modern design with thoughtfully curated upgrades throughout.

The ground floor welcomes you via an entrance hall leading into an elegant and tastefully presented living room. To the rear, the impressive kitchen/dining room has been upgraded to provide a sleek and sophisticated space, complete with a range of integrated appliances including an induction hob, oven, fridge/freezer, dishwasher and washing machine. French doors open directly onto the landscaped rear garden, creating an ideal setting for both entertaining and everyday family living.

Particular attention has been paid to the interior finish, including the installation of herringbone luxury vinyl tile flooring throughout the ground floor alongside a range of attractive decorative enhancements.

The first floor provides two generous double bedrooms together with a stylish contemporary family bathroom. Occupying the entire top floor, the principal suite offers a luxurious retreat featuring a deluxe en-suite shower room, eaves storage and useful loft storage.

Externally, the property enjoys an attractive frontage with paved pathway and front garden, whilst gated side access leads to the beautifully landscaped rear garden. Designed for low maintenance and year-round enjoyment, the garden features an Indian sandstone patio, artificial lawn and a versatile garden pod currently utilised as a home office and additional utility space. The property further benefits from two adjacent private parking spaces.

An annual estate management charge of approximately £270 applies.
