Southcote Row

Guide Price £425,000 - £450,000..

Internally the new owner will be greeted by the striking and spacious entrance hall which, given its size could comfortably double up as a home office. There is an area for coats and shoes alongside a further storage cupboard off of the entrance hall.

Worthy of special mention is the huge kitchen which measures 24'6 x 8'3 offering an abundance of worktop space and storage space. There is an area of exposed brickwork central to the kitchen which accommodates the double oven, the exposed brickwork becomes the focal point of the room and is a fine feature within itself.

To the end of the kitchen is a separate utility room which measures a further 5'3 x 4'10 whilst to the front of the kitchen there is a home office which measures an additional 6'8 x 4'11.

Completing the ground floor living accommodation is the main lounge come diner which measures 19'10 x 18, this area provides the perfect environment in which to both entertain and relax. Sitting alongside the lounge come diner is a further reception room which measures an additional 14'6 x 12'1, it is worth noting this area is not accessible from the main house, rather accessible from the front driveway or rear garden. This said, given its size, this could act as a home office, a home gym, childrens playroom, the options are vast which is a great illustration of the versatility the property offers.

The first floor provides four bedrooms and the family bathroom suite.

The master bedroom measures 11'10 x 10'9, bedroom two measures 11'3 x 9'10, bedroom three measures 8'10 x 6'5 whilst bedroom four measures a further 9'9 x 8'3. Whilst bedroom four is larger than bedroom three, it plays host to stairs leading to the loft area complete with velux windows and a wealth of eaves storage. The loft area has previously been used as an additional bedroom with the area beneath being used as a dressing area for the room above. Again, versatility is abundance.

Completing the first floor is the four-piece family bathroom suite which measures 7'1 x 5'5 and consists of the corner bath, separate shower, washbasin and W/C.

Externally there is a pleasant south-west facing rear garden, consisting of patio leading to a larger area laid to lawn. There is also a summerhouse to the rear of the garden. There are also water taps to the front and back too.

To the front of the property there is driveway parking for multiple vehicles.

Situated within walking distance of local shops and amenities and within close proximity of Basildon Town Centre and rail links direct into London the location offers something for all of the family and for those of all ages.

This home has been in the same family for four decades which is a great illustration of how the current owners feel about both the property itself and the immediate location.

Internal viewings come strongly recommended so that one can appreciate and acknowledge first-hand all that this home is able to offer.
