GENERAL

A truly exceptional family home, featuring a breathtaking full-width glass house to the rear, that floods the space with natural light, seamlessly connecting the indoor space with the garden.

This outstanding five-bedroom detached home provides high end contemporary living with expansive interiors, a stunning west-facing garden and a self-contained annexe, perfect for generating additional income or multi-generational living.

From the moment you enter the light-filled hallway there is a real feeling of space with uninterrupted views through the property and out into the impressive garden beyond. Overlooking the garden is a wonderful open-plan kitchen, designed for modern family life and effortless entertaining. A statement island sits at the centre, complemented by high-spec integrated appliances and elegant cristallo azure natural quartz Italian worktops. This space flows seamlessly into the show-stopping full-width glass house; an incredible extension that spans the entire width of the property. Flooded with natural light, this stunning space offers the perfect setting for dining, relaxing or entertaining all year round, with 5m wide bi-fold doors opening onto the patio and creating a seamless indoor-outdoor experience.

The home has been thoughtfully designed to adapt to every stage of family life: On the ground floor there is a cosy snug with an inglenook fireplace; ideal for quiet evenings, currently used as an office for the Emaaa Collection associated with the successful Airbnb business and a fully fitted home office; perfect for working from home. There is also a large family room currently used as a playroom but would work equally well as a dining room plus a separate cinema or gym. Each room offers flexibility, ensuring the home works around you.

Upstairs there are four generously sized bedrooms. The principal bedroom offers a peaceful retreat, featuring a Juliette balcony overlooking the garden and a stylish en-suite. The guest bedroom also has its own en-suite, complete with a free-standing bath and rainfall shower and a separate dressing room. The remaining bedrooms are served by a beautifully appointed family bathroom, which has a traditional roll top bath.

The large west-facing garden is a true highlight, beautifully arranged for both relaxation and play. A generous patio area sits directly off the glass house, creating the perfect setting for outdoor dining and entertaining. Beyond this, the garden opens out to provide a variety of spaces for family life, from play areas to quieter spots to unwind. With additional features including outbuildings, a workshop and unique lifestyle touches, the garden offers both charm and practicality in equal measure.

Offered with no onward chain, this is a rare opportunity to acquire a beautifully presented home that combines space, lifestyle and flexibility, ideal for modern family living.
