Having been recently completely refurbished to an extremely high standard we are delighted to offer to the market this stunning detached home in a plot approaching 1/3 an acre on one of Bury St Edmunds' most highly regarded roads. Offering stylish and versatile accommodation, the property combines contemporary design with exceptional finishes, complemented by a detached garage and landscaped gardens.

This striking property has been comprehensively modernised and reimagined to create a light-filled, contemporary home perfectly suited to modern living. Set well back from the lane, the house is approached over an extensive gravel driveway providing ample parking and access to a substantial detached garage.

The interior is particularly impressive, with a cohesive design throughout and an emphasis on space, light and flow. The spacious sitting room is a standout feature, with wide proportions, engineered wood flooring and a sleek inset fireplace creating a stylish yet comfortable environment. A large opening leads directly through to the dining area, forming a superb open-plan living space ideal for entertaining, with large glazed doors providing an attractive outlook and seamless connection to the garden.

The kitchen has been beautifully designed with both practicality and aesthetics in mind, featuring contemporary cabinetry in contrasting tones, extensive work surfaces and a central island unit incorporating a breakfast bar. Integrated appliances include eye-level ovens and induction hob, and the overall layout provides excellent storage and workspace. The kitchen flows naturally into the dining area, creating a sociable hub of the home, while a separate utility room offers additional storage, laundry space and everyday convenience.

The ground floor continues to offer excellent flexibility, with a double

bedroom and an additional bedroom/study, perfectly suited for guests, home working or multi-generational living. These rooms are served by a well-appointed bathroom.

To the first floor, the bedrooms are particularly well presented, enjoying a calm and neutral finish with attractive outlooks over the surrounding greenery. The rooms benefit from generous proportions, clean architectural lines and an abundance of natural light. A modern family bathroom serves the first floor accommodation, completing a well-balanced layout.

## Outside

The property sits within a generous and well-screened plot. To the front, the wide gravel driveway provides extensive parking, alongside the detached garage, finished with contemporary timber cladding, and benefitting from the added convenience of an electric vehicle charging point.

The rear garden has been thoughtfully landscaped to create a private and tranquil setting. A series of paved terraces and seating areas provide ideal spaces for outdoor dining and relaxation, complemented by decorative shingle and well-stocked planting. Mature shrubs, ornamental trees and carefully curated borders add structure and year-round interest, while the layout has been designed for ease of maintenance. A covered seating area further enhances the garden's usability, offering a sheltered space for entertaining.
