Offers In The Region Of £900,000

Homes of this scale and prominence in such a prime coastal setting are rarely available. The owners are committed to their onward plans and welcome discussions with buyers seeking an exceptional East Cliff home, presenting a genuine opportunity to secure one of Ramsgate's finest period residences.

Just moments from the Royal Harbour and coastline, this magnificent Victorian residence offers over 3,500 sq.ft. of beautifully proportioned accommodation arranged across five floors. With 7/8 bedrooms, multiple reception spaces and sea views nearby, this is a home of exceptional scale, character and flexibility.

Behind its striking period façade lies a property perfectly suited to modern family life, multi-generational living, a coastal retreat or even luxury guest accommodation. The lower ground floor creates a fantastic self-contained living environment, centred around a substantial open-plan kitchen and sitting room, complemented by two generous en-suite bedrooms.

The ground floor delivers impressive entertaining space, with elegant reception rooms filled with natural light and a welcoming sense of grandeur. Upstairs, the first-floor sitting room enjoys access to a balcony, providing the perfect spot to enjoy the coastal atmosphere and glimpses towards the sea. Further bedrooms are arranged across the upper floors, including a superb principal suite with en-suite bathroom, ensuring ample space for family and guests alike.

Throughout, the property retains the timeless appeal of its Victorian heritage, with high ceilings, large windows and elegant proportions creating a wonderful sense of space and light.

The location is equally compelling. Ramsgate's Royal Harbour, vibrant marina, independent cafés, restaurants and sandy beaches are all within easy reach, while high-speed rail services connect to London St Pancras in around 75 minutes, making this an increasingly sought-after destination for both permanent residents and weekend escapees.
