- Stone-built two-bedroom end-terrace cottage
- Excellent renovation and investment opportunity
- Requires modernisation throughout
- Generous plot with large side garden
- Potential for off-road parking / driveway (subject to planning permission)
- Two spacious double bedrooms
- No onward chain
- Convenient village location close to amenities and transport links

A charming stone-built two-bedroom end-terrace cottage offering excellent renovation and investment potential. Set on a generous plot with an impressive side garden, the property requires modernisation throughout but provides fantastic scope to create a personalised home. Benefiting from no onward chain, potential for off-road parking (subject to planning), and a convenient village location close to amenities, transport links, and surrounding countryside.
