FOR SALE

1 2 4

A four bedroom Victorian terraced house measuring in excess of 1,218 square feet. This property has a paved rear garden with a large shed, a dual-aspect living room and has had a full loft extension.

As you enter at ground level, there is open plan living room with dedicated open dining area and bay window. There is a modern fireplace, wooden flooring at ground level, a separate kitchen and access to the rear garden.

On the first floor, there is two double bedrooms and a modern family bathroom with bath and shower. The top floor is a principal suite with a double-door Juliette balcony and a separate office room.

The open spaces of Walthamstow Wetlands are on your doorstep as well as an array of local amenities. St James Street station is under a quarter of a mile walk away.
