IF YOU LIVED HERE...

Thanks to its first-floor position, the apartment enjoys an added sense of tranquillity, with leafy treetop views, abundant natural light and the benefit of improved energy efficiency.

The reception room is flooded with light thanks to its generous windows, while the wood flooring, blush accent wall and fireplace bring warmth and character. The original chimney alcoves have also been put to excellent use, with well-crafted carpentry making the most of the space.

In the kitchen, you'll find plenty of storage and high-spec

appliances, while the bathroom keeps things simple and stylish with a walk-in shower and floor-to-ceiling tiling. Both bedrooms are comfortable doubles, each with excellent built-in storage.

You'll love the leafy views, and when you fancy stepping out, you'll have easy access to the ancient woodlands of Epping Forest, as well as the green spaces of Roding Valley.

As for South Woodford, despite the quaint village-like feel, it's packed with shops, supermarkets (choose between Marks & Spencer or Waitrose), restaurants, bars, and even an Odeon cinema.

WHAT ELSE?

- Your new local? How about the Railway Bell. It's only a short stroll.
- South Woodford station walking distance, where the Central line can take you to Liverpool Street in just 20 mins. Meanwhile, drivers can be on the North Circular in just a few minutes.
- For a quick bite, try Flock East18 or Tipi Coffee, and be sure to mark your calendar for every third Sunday of the month, when the South Woodford farmers market is held.
