The property is well positioned in the heart of the thriving Devonshire village, Lifton. Renowned for it's convenient location on the edge of Dartmoor and only a short distance from the A30, Lifton is the ideal place for those wanting to settle into the idyllic 'village life' whilst being able to explore the natural attractions that the area has to offer.

A deceptively spacious semi-detached home offers versatile accommodation over three storeys. Constructed of traditional materials including stone and a natural slate roof, the property benefits from predominantly uPVC double-glazed windows (with one wooden sash). The property has been recently renovated and presented in excellent decorative order throughout.

The immaculately presented accommodation begins with a ground floor entrance hall and a useful cloakroom with WC. The kitchen/breakfast room is fitted with a range of units and integrated appliances including an electric oven with hob and extractor, dishwasher and washing machine, with space for a fridge/freezer and dining table. The sitting room features a character fireplace and deep window sill.

On the first floor is a generous double bedroom with feature fireplace, a second smaller double bedroom or study with built-in storage, and a contemporary bathroom with walk-in shower, vanity unit and WC. The second floor provides two further well proportioned double bedrooms.

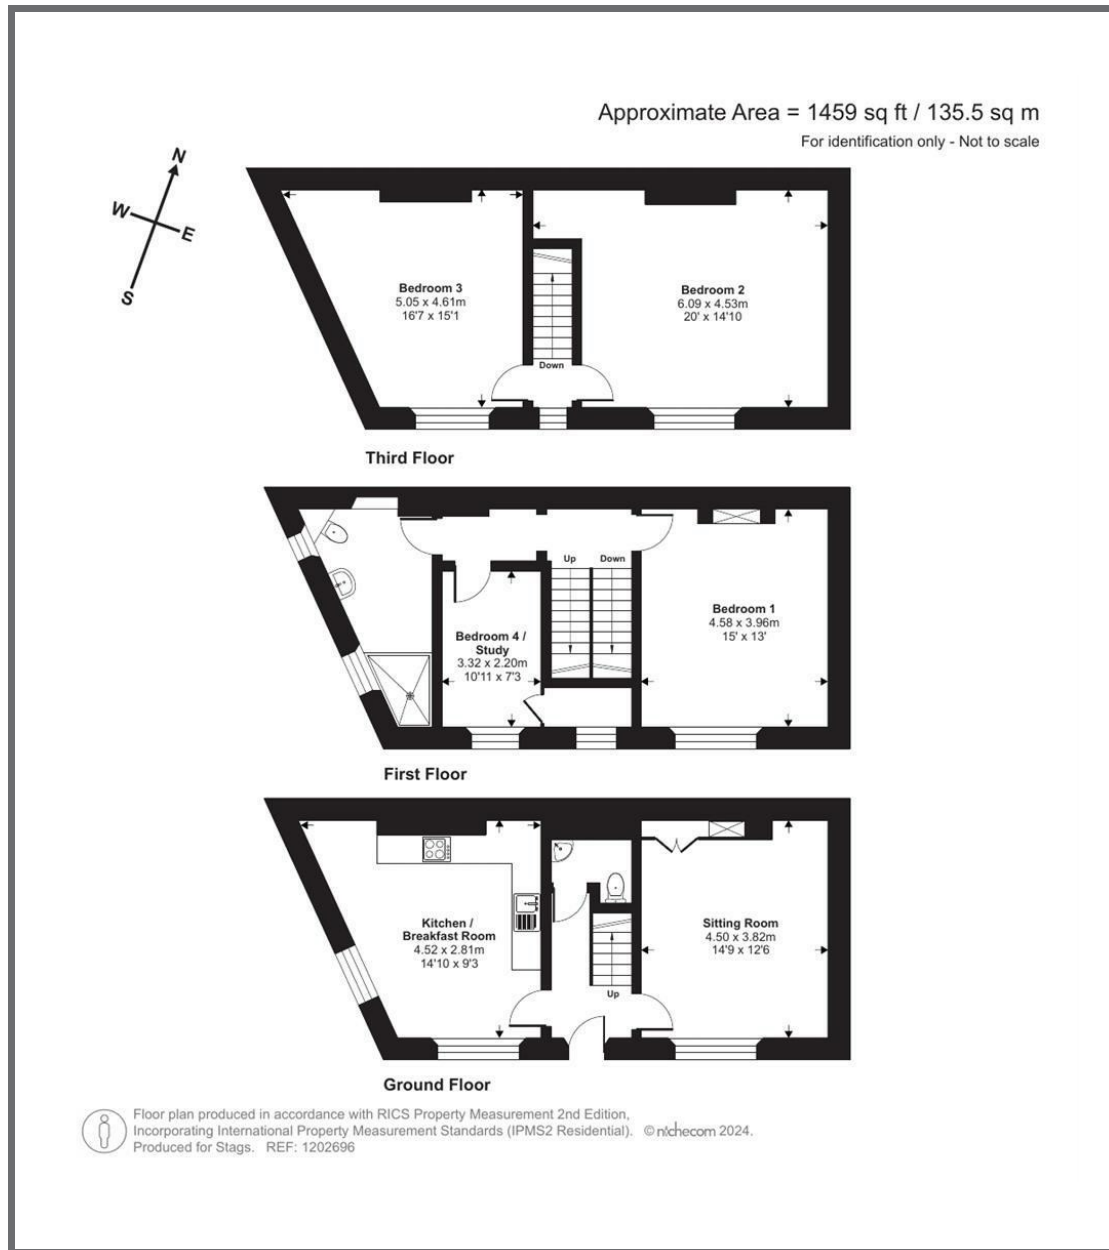

Externally, the property is approached via a slate covered porch with low maintenance flower beds, ideal for pots and shrubs. The two allocated parking spaces are located approximately 25 metres away. The property is also conveniently situated less than half a mile from Lifton's recreational park, ideal for families, dog walking and outdoor activities.
