The ground floor accommodation comprises a family bathroom, three bedrooms, including an impressive principal bedroom with its own en-suite shower room.

The lower ground floor features a stunning open-plan living space, flooded with natural light and providing ample room for lounge and dining areas. The contemporary fitted kitchen is finished to a high standard and is complemented by a utility area and separate WC. Underfloor heating runs throughout this level, adding both comfort and efficiency.

Externally, the property benefits from an enclosed rear garden and allocated off-street parking within this exclusive gated development.

Homes within the development also benefit from air source heat pump heating, solar panels, and EV charging, creating an exceptionally efficient, low-carbon home designed for modern living.
