Offering more space than you might expect from a two-bedroom home and being sold with no onward chain, the accommodation is well suited to modern everyday living. A separate living room provides a comfortable place to relax, while the kitchen/dining room offers plenty of room for cooking, dining and entertaining. From here, the accommodation continues into the conservatory, creating useful additional living space with direct access out to the rear garden.

Upstairs are two well-proportioned bedrooms, including a generous main double bedroom and a smaller double, making the second room equally suitable as a guest bedroom, nursery or home office. A family bathroom completes the first-floor accommodation.

A particular advantage for a home of this size is the driveway and garage, providing valuable off-road parking alongside additional storage – something not always found with two-bedroom properties.

East Hunsbury remains a popular choice for buyers thanks to its excellent everyday convenience, with local shops, schooling and amenities all close by, alongside good road links into Northampton town centre and easy access to the M1.

With its generous accommodation, garden, conservatory, driveway and garage, this is a great option for first-time buyers looking to take that first step onto the property ladder without quickly outgrowing their first home.
