Situated in a popular and convenient location close to a well maintained park and good local primary schools, this deceptively spacious mid-terrace property benefits from gas fired central heating and uPVC double glazing throughout.

Internally, the accommodation is arranged over two floors and briefly comprises: dining room, lounge, kitchen, rear hall/utility area and bathroom to the ground floor, with three bedrooms located on the first floor.

The layout offers practical and flexible living space, well suited to both first time buyers and buy-to-let investors.

Externally, the property enjoys an enclosed and low maintenance rear garden, mainly laid to lawn with a flagged pathway running centrally.

A raised, brick built area to the rear provides an ideal space for seating or barbecues, with boundary fencing to three sides offering a good degree of privacy.
