14 North Street, Heathfield, TN21 9DT

Nestled in a desirable village setting along a quiet country lane, this beautifully presented four-bedroom semi-detached home offers generous living accommodation, impressive outdoor space, and excellent versatility for modern family life. The property benefits from a driveway and garage, with the front door opening into a welcoming entrance hall. A convenient downstairs WC is located off the hallway, while to the right you will find a stunning kitchen/dining room, thoughtfully designed with ample space for both everyday family living and entertaining guests. Beyond the kitchen is a bright conservatory with feature log burner, which creates a cozy focal point and enjoys lovely views over the garden and patio area. A practical separate utility area to the side of the house provides valuable additional storage and laundry space. Continuing through the hallway, the spacious dual-aspect living room is a real highlight, featuring a charming wood-burning stove that creates a warm and inviting focal point. Upstairs, the property offers four well-proportioned bedrooms together with a stylish family bathroom complete with both bath and separate shower facilities. Outside, the gardens are particularly impressive and perfectly suited to families and those who enjoy outdoor living. A sociable patio area with pergola provides the ideal setting for al fresco dining and entertaining, while the large level lawn offers plenty of space for children and pets to enjoy. Two substantial garden cabins present fantastic opportunities for home working, a gym, studio, hobby room or additional recreational space. Further outbuildings and sheds provide excellent storage solutions. The property enjoys direct access to the stunning Dallington Forest, with a network of scenic woodland trails and circular walking routes just moments from the doorstep, providing endless opportunities for walking, running, cycling and enjoying the surrounding East Sussex countryside. Conveniently located within walking distance of the village primary school, medical centre and village hall, and with the local secondary school easily accessible, the property combines the tranquillity of rural living with everyday convenience.
