PROPERTY DESCRIPTION

Description

This older style, semi detached, family home is situated at the head of a cul de sac in a popular, residential area that is within walking distance of the town centre.

Having undergone a scheme of refurbishment and modernisation works, the property is presented in excellent order throughout. Improvements include having the roof overhauled with new felt and battens and the creation of a beautiful, open plan space downstairs with a striking, contemporary kitchen with a range of integrated appliances, quartz worktops and a large central island with breakfast bar. The kitchen flows through to a dining area and into the lounge where there is an attractive fireplace and log burner. The ground floor is completed with a useful conservatory to the rear, currently used as a gym.

To the first floor, there are three double bedrooms and a family shower room.

Heating is in the form of both gas fired radiators and underfloor heating to most rooms.

Externally, the gardens to the rear are laid to gravel and brick pavier to provide ample parking with a gate to the side leading to the mainly lawned rear gardens where there is a useful brick built store and second garden shed.

The current vendors have thought carefully about the alterations they have made including opening the ceiling space over the staircase, installing a log burner and have had planning permission granted for an extension from the lounge (please ask the selling agents for details).

An internal inspection is the only way to fully appreciate the individuality of this home.

Directions

From the Esso service station at the top of Love Lane, proceed out of Burnham on Sea along Love Lane turning right into Rosewood Avenue. Proceed down Rosewood Avenue which becomes Killarney Avenue and turn right into Sutherland Avenue where the property can be found at the head of the cul de sac on the left hand side.
