Welcome to South Croxted Road in West Dulwich! Here we have a four double bedroom apartment on the first floor of a stunning Victorian House. The apartment has a large separate living room and a kitchen in the centre of the home along with two bathrooms resulting in it being extremely popular with professionals.

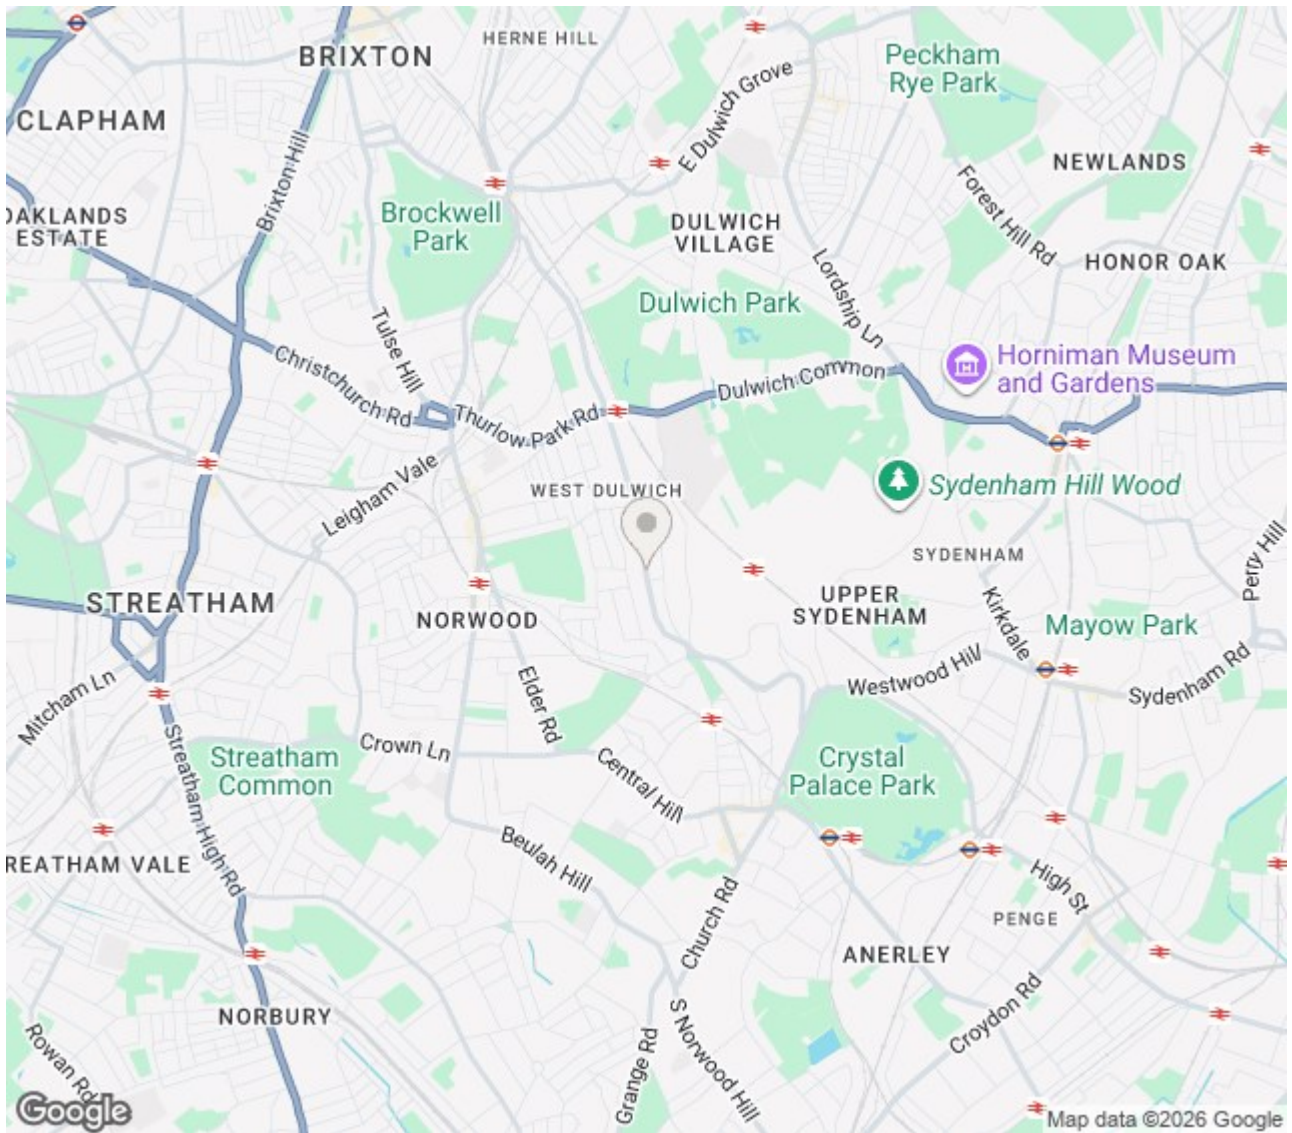

The property is located on a tree lined, residential street which is a short walk to either West Dulwich or Gipsy Hill Over ground train station allowing for a easy journey to London Bridge via numerous stops in-between.

The area is very green with numerous parks and commons to choose from including Dulwich Park, Dulwich Golf Course and the Sydenham Hill Wood being within close proximity. Crystal Palace is also a short bike ride or bus ride away.

The property is being sold with Tenants in- situ, therefore, a ready made investment with a rental yield of 6%.
