Living Room

11' 9" x 18' 8" (3.58m x 5.70m)

With surrounding windows.

First Floor

Please note a majority of the first floor has internal stud partitions and therefore can be arranged to suite a personal choice.

First Floor Landing

13' 0" x 11' 6" (3.95m x 3.50m)

Continuation of oak framed double glazed windows enjoying excellent views and potential access through to the original cottage with the current layout providing four bedrooms and a family bathroom- please see floor plan. All first floor windows have been installed and are of uPVC framed with the exception of the front landing window.

Grounds

The property occupies a prominent plot that enjoys excellent open countryside views with the front having bar and post timber fencing with hedged border behind and with potential for the front to provide a pleasant lawned garden which would continue to the side and with a proposed front seating area. Gardens do continue to the rear where there is rear vehicular access via a iron sliding gate providing parking with original bricked outbuilding and timber garaging.

Double Glazing

The property benefits from uPVC double glazed windows with the exception of the new extension having oak framed front feature windows and with the ground floor to the new extension having a number windows uninstalled.

Central Heating

Oil fired central heating system.

Ground Floor
Approx. 155.9 sq. metres (1673.6 sq. feet)

First Floor
Approx. 155.4 sq. metres (1672.3 sq. feet)
