- Plot 5 - £675,000
- Plot 6 - £695,000
- Plot 23 & 24 - £695,000

Tucked away in a private enclave, Handbury Grange provides immediate access to open countryside while remaining only moments from the heart of Gedling Village. With the Nottingham ring road and major transport links close by, and the city centre just a short journey away, the location offers the very best of rural surroundings and urban accessibility. Each home also benefits from a 10-year NHBC warranty for complete peace of mind.

Arriving at the property, off-street parking and an elegant modern façade welcome you into a serene and high-quality residential environment. Stepping inside, a generous entrance hall creates an immediate sense of space and sophistication, complete with a convenient downstairs W/C. The home is further enhanced by a central vacuum system (American Hoover) installed throughout, as well as high-quality soundproofing between the first and second floors, ensuring a peaceful living environment.

The ground floor is centred around a truly impressive open-plan kitchen, lounge, and dining area. Designed for modern family living, this expansive space features a fully fitted contemporary kitchen with premium CDA integrated appliances, including a dishwasher, washing machine, tall fridge and freezer, electric hob with extractor, and a separate oven and grill. Sleek finishes and dual-aspect windows flood the room with natural light, while striking bifold doors open directly onto the rear garden, creating a seamless connection between indoor and outdoor living. Underfloor heating runs throughout the ground floor, powered by an energy-efficient Vaillant air source heat pump, ensuring both comfort and sustainability. An integral garage completes the ground floor, offering excellent storage and versatility.

Handbury Grange offers a range of thoughtfully designed house types, meaning layouts can vary between plots. Bedroom arrangements may differ across floors, with some homes featuring balconies and others benefiting from additional design elements such as walk-in wardrobes. This variety allows buyers to select a home that best suits their individual lifestyle and preferences.

Across the development, bedrooms are generously proportioned, with all five-bedroom homes benefiting from ensuite bathrooms to each bedroom, providing a high level of comfort and privacy. In selected plots (22, 23, and 24), homes are further enhanced by walk-in wardrobes adjoining the ensuites, adding a luxurious and practical touch. Certain properties also enjoy elevated positions with balconies offering attractive open views.

Externally, the rear gardens are private, fully fenced, and thoughtfully landscaped with both patio and lawn areas - ideal for outdoor dining, entertaining, or relaxation.

With double-glazed windows throughout, exceptional build quality, generous accommodation, advanced energy-efficient systems, and one of the most desirable settings in the Gedling area, Handbury Grange represents modern family living at its finest. Early enquiries are strongly encouraged to secure one of these outstanding homes.
